

MEETING MINUTES

Harbor Point Industrial Supply

Date: 2024-08-18 **Location:** Savannah, Georgia

Attendees

- Sarah Mitchell — VP of Procurement
- Marcus Reed — Technical Department
- Emily Chen — Logistics
- James Whitfield — (Vendor Representative)

Agenda

1. Quarterly order volume increase
2. Extending the maintenance contract to two years
3. Changing the freight carrier for deliveries to the southern region

Summary

James Whitfield met with Harbor Point Industrial Supply representatives at their offices in Savannah, Georgia to discuss three items: a 15% increase in the quarterly order starting in October, extension of the maintenance contract to two years, and a possible change of freight carrier for southern region deliveries. The team agreed to accept the volume increase by shortening the delivery window to two weeks and to renew the maintenance contract on current terms. Follow-up actions were assigned to send an updated proposal, confirm warehouse availability, and contact a new carrier, with a follow-up meeting scheduled for September 15th to finalize the transport decision.

Decisions Made

- Accept the 15% volume increase by reducing the delivery window to two weeks
- Renew the maintenance contract on current terms for two years
